

**48-3a-1108 This part does not limit regulating board.**

This part does not restrict the authority or duty of a regulating board to license an individual providing a professional service or the practice of the profession that is within the jurisdiction of the regulating board, notwithstanding that the individual:

- (1) is a member, manager, or employee of a professional services company; or
- (2) provides the professional service or engages in the practice of the profession through a professional services company.
